30.04.2025 due to various reasons including the following but not limited to:-

- a) The scarcity of labour and disruptions in the supply chain for construction accessories and equipment, compound the impediments to progress.
- b) Initially the rate at which they thought they could progress with the construction, got delayed due to the contractor side.
- c) The financial strains exacerbated the project delays, making adhering to the initially projected completion period challenging.
- d) If the revalidation of the completion period is not obtained it would lead to the following difficulties faced by the Promoter including the potential allottees who have agreed to purchased the Apartments in their said project :
  - i) Until they get the revised completion date approval they won't be able to communicate straight and clear to the existing allottees for the revised completion period of the project.
  - ii) They won't be able to execute the sale agreement, as the completion period as per actual will not be the same as mentioned WBREERA.
  - iii) If they are unable to liquidate the stock it would lead to the aforesaid circumstances of non-payment to their vendors and constructors who are engaged in the said project, the same will lead to further delay, and ultimately the customers of the project will suffer a lot.
- e) They anticipate receiving the completion certificate by 30<sup>th</sup> April, 2026 and considering the assumed completion date, they are seeking an extension of approximately 12 months from the lapse of the registration date.

The Applicant also stated in their said Affidavit that rights and interests of the existing Allottees will not be affected by this extension.

And Whereas, after careful examination of the Notarized Affidavit and supporting documents on Affidavit, submitted by the Applicant and placed on record, this Authority is of the considered view that there is a delay in the completion of the instant project and an extension is urgently required to safeguard the interest of the Allottees/Home buyers and for completion of the said project, for obtaining the Completion Certificate from the Competent Authority and for handover process of the completed flats/units to the Allottees;

Now Therefore, in exercise of the power conferred under section 6 of the Real Estate (Regulation and Development) Act, 2016 read with Rule 7 of the West Bengal Real Estate (Regulation and Development) Rules, 2021, this Authority is pleased to take the decision unanimously to grant the extension of the Registration of the instant project namely '**Mridanga**' for a period from

**01.05.2025** to **30.04.2026**. The extension is hereby granted on the ground of special circumstances to safeguard the interest of the allottees of the instant case, and in exercise of the powers conferred under first paragraph and second paragraph of section 6 of the Real Estate (Regulation and Development) Act, 2016 respectively.

If this extension is not granted then interest of the allottees will be seriously affected and the extension is also required for obtaining Completion Certificate from the Competent Authority. Therefore, this extension is hereby granted as a **Special Case** and this order should not be treated as a precedent in any other case of extension of project;

Secretary, WBRERA shall issue a System Generated Certificate for Extension of Registration of the said Project as per **Form F** of the West Bengal Real Estate (Regulation and Development) Rules, 2021, for a period from **01.05.2025** to **30.04.2026**.
