

Subject: Submission of Two Years' ITR Instead of Three Years

Respected Sir/Madam,

I have applied for Individual Registration/License with WB RERA.

At present, I am able to provide only the last two financial years' Income Tax Returns (ITR), as the current financial year's ITR is yet to be filed within the applicable statutory timeline.

Therefore, I kindly request you to consider my application with the attached two years' ITR documents. The latest ITR shall be submitted once filed.

I request your kind consideration and approval.

Thanking You,

Rohan Marwaha
