I, Ms Sayantani Deb would like to inform you that my last Income Tax Return was filed when I was working in a job. I have now started working on my own as a real estate agent. Since I didn't have any income in the beginning, I did not file ITR for the last two years.

Moving forward, I will be doing yearly filing of my Income Tax Returns, in accordance with applicable regulations and based on my current business activities.

Thanks and Regards

Sayantani Deb
