Sub. : Individual Application for Registration of Real Estate Agent
in the name of proprietorship firm "INTERIOR WORLD"

Dear Sir,

I, Swapan Kumar Mal beg to apply for Registration of Real Estate Agent in the name of my proprietorship firm "INTERIOR WORLD" and my Application No. WBRERA/R000804 dated 07.01.2025. My application had been sent back for rectification repeatedly after making corrections.

My firm's name is "INTERIOR WORLD" and I am the proprietor of this firm. My PAN is "AQPPM6034P". There is no separate PAN of my firm "INTERIOR WORLD" and my PAN No. is treated as my firm's. My PAN related GST No. 19AQPPM6034P1ZZ and Trade License and Bank A/c. is in the name of firm "INTERIOR WORLD". It is individual application and my PAN and Address proof has been uploaded.

Finally, I have attended to your office as per your hearing schedule dt. 20.06.2025 and it has been decided that application is of the proprietorship firm and not an individual application and that the fees for proprietorship application is Rs.2,50,000/- in place of Rs. 25000/- (which had been deposited for individual application). The proprietorship application fees is more expensive which will be unaffordable for me.

I have been waiting for the registration since long. Presently, I would request for rejection of my application and refund of my application fees Rs.25,000/- as soon as possible.

Please look into the matter as early as possible.

Thanks & Regards

For INTERIOR WORLD
