Sir,

I Debashis Roy being the representative of the promoter of the proposed project having WBRERA No: WBRERA/P/NOR/2023/000029 for the project "Sun Shine Enclave", write to apprise you of an inadvertent error in our application submission.

During the application process, an unintended discrepancy arose in the mechanical parking allocation. Regrettably, it was inaccurately stated as 54 slots, whereas the correct count is 27.

Below are the correct parking details as per the sanction of the project:

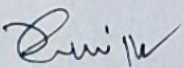

Type	Open	Covered	Mechanical
No. of parking	34	45	27

We earnestly request your esteemed office to kindly effect this correction in the portal.

Your prompt attention to this matter will be highly appreciated.

Thank you for your cooperation.

Yours faithfully,
Noolin Realcon Private Limited
