Subject: No option of reporting Ground Floor available on WBREERA Portal

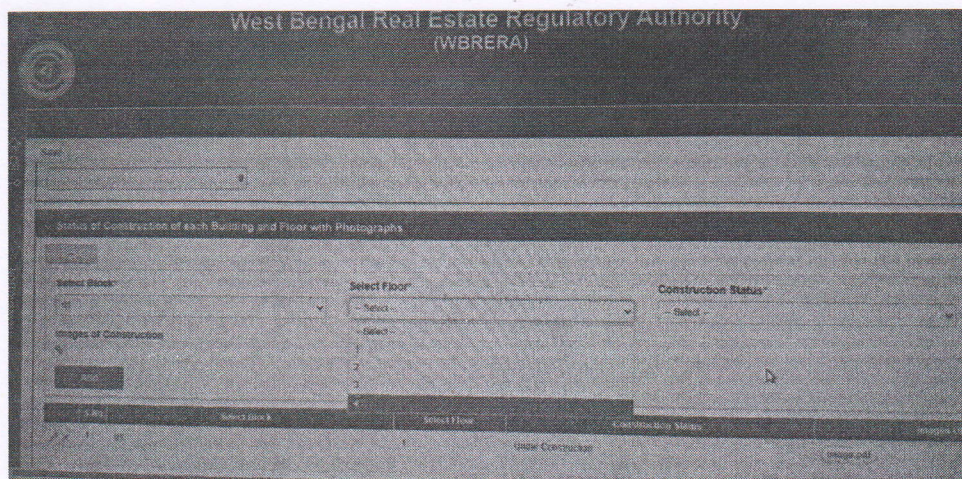

Dear Sir/Madam,

This is to inform you that at the time of uploading the project status (Quarterly details), we could not locate any option in the drop-down menu to reflect the progress of the project in Ground Floor.

Accordingly as the last date is approaching, we are left with no choice than to upload the progress of Ground Floor as 1st Floor.

We request you to provide option in the portal and let us know so that we can make the necessary changes as per your guidance. We further also request you to let us know any alternative mode of reporting, if any to follow in reporting at subsequent quarter.

We are attaching screenshots of the portal for your kind reference and understanding of the issue.

Thanking You
