Subject: Updation Request Regarding Parking Details in Registration Application

Dear Sir/Madam,

We would like to inform you that while obtaining the registration, we had uploaded a declaration stating numbers of open parking as 36. We request you to read the same as "Covered Parking" which is as per sanctioned building plan. Since WBREERA is a new law, we had inadvertently mentioned the parking as open.

However, at the time of quarterly updates and with further clarification we have come across our typographical error and reported immediately to you for correction & your record.
