**Subject: Clarification in response to the query raised in connection with Project Registration under WBRERA ( i.c.w. WBRERA/NPR-004850).**

Sir,

With reference to the query raised by the Hon'ble Authority stating that "Proposed completion date mismatched with Form B Affidavit", the undersigned most respectfully submits the following clarification for your kind consideration:

It is humbly submitted that, **as declared in the Form-B Affidavit**, the proposed date of completion of the project is **30th August, 2028**. The same completion date has also been consistently **mentioned in the online application form** submitted before the Authority.

It is further pertinent to mention that the **Building Permit / Sanctioned Plan** for the said project is valid up to **21.09.2028**, which adequately covers and supports the declared completion timeline of the project.

Therefore, the proposed completion date of **30.08.2028** is well within the validity period of the Building Permit and is uniformly reflected across all submitted documents, including the Form-B Affidavit and the application form.

In view of the above facts and consistency of records, it is respectfully submitted that the query regarding mismatch of the proposed completion date may kindly be treated as clarified and resolved.

Thanking You.

Yours faithfully,
