Subject: Clarification Regarding Parking.

Respected Sir,

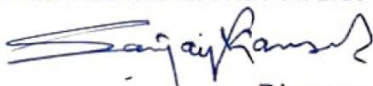

With reference to our project Silver Orchid, we respectfully submit that the covered car parking area is located on the ground floor of the building and is duly reflected in the sanctioned plan under the typical floor plan.

Further, as per the area statement shown in the sanctioned plan, the total car parking area is 89.45 square meters. In reference to the same, we have proposed the sale of 9 covered car parking spaces within the said area.

Thanking you,

Yours faithfully
