STRUCTURE STABILITY CERTIFICATE

Ref: - Premises No. 30/A Tiljala Road , Ward – 65, Br. – VII,  
P.S.-Karaya, Kolkata-700 046.

I do hereby certify that the addition & alteration of the G +VII (23.975M. Ht.) storied residential building on Premises No.- 30/A Tiljala Road , Ward – 65, Br. – VII, P.S.-Karaya, Kolkata-700 046., have been supervised by me and there are some internal & external deviations which are within permissible limit of K.M.C Building rules 2009 under which the building was sanctioned & revised.

The work will be monitoring under my strict supervision as per my structural design & drawing to the best of my satisfaction. The workmanship and all materials (Grade & Quality) will be used strictly in accordance with the general and detailed specification as per latest edition of N.B.C. of India. No provision of violating the K.M.C Act 1980 & K.M.C Building Rules 2009 in the course of the work. The structural design of the building has been made by me considering all possible load including the seismic load as per latest edition of N.B.C. of India & certified that it is safe & stable in all respects.
