REVERA MILK & FOODS PRIVATE LIMITED**NOTES TO FINANCIAL STATEMENT AS ON 31/03/2023****A Corporate Information**

Revera Milk & Foods Private Limited is a private limited company incorporated and domiciled in India under the provisions of the Companies Act, 1956. The Company earned major income from the trading of various commodities during the year. The Company has its registered office at 610, Tulsiani Chambers, Nariman Point, Mumbai MH 400021.

B Basis of Preparation & Presentation with Significant Accounting Policies

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended. These Ind AS had been adopted w.e.f. 01st April 2017 as notified by Ministry of Corporate Affairs under the Companies Indian Accounting Standards Rules 2015.

The Financial statements are prepared on the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange of goods and/or services.

All assets and liabilities are classified as current and non-current as per Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products/ activities of the Company and the normal time between acquisition of goods and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Revenue from sale of products is recognized when the control on the goods have been transferred to the customers. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns, trade discounts, claim and rebates. Sales exclude VAT/Goods & Service Tax.

Interest Income is recognized using the effective interest rate method. No Interest income/ expenses booked/ provided in case of loans/ advances given to some parties and/ or received from some parties. There are different rate of interest applied for different parties against Expenses are accounted on accrual basis.

Inventories are valued at lower of cost and estimated net realisable value with FIFO method.

Property, plant and equipment are carried at cost less accumulated depreciation.

Depreciation is recognized for Property, Plant and Equipment so as to write off the cost less residual values over their estimated useful lives.

Income Tax: Tax expenses for the period, comprising of current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of Income Tax Act, 1961. Deferred tax is recognized on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one more subsequent years.

Cash and cash equivalents: In the cash flow statement, cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Impairment of assets: Financial assets: The Company on a forward looking basis the expected credit losses associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applied the simplified approach, which requires expected lifetime losses to be recognized from initial recognition of the Trade payables represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured. Trade and other payables are represented as current liabilities unless payment is not due within 12 months after

Provisions are recognized when there is a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Contingent Liabilities are disclosed when there is possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the Basic earning per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

The preparation of the Financial Statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amount of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable.
