[PART-II] [INTERPRETATIONS]

For the benefit of the Allottee a list of important points pertinent to this Agreement are briefly stated hereunder for a clear interpretation:

Sl.	Subject & Interpretation Clause
1.	GST ON MAINTENANCE : All Unit Owners (Allottee) shall have to pay GST on Maintenance cost as applicable. Payment of GST on Vendors' Bill is mandatory and cannot be avoided under any circumstances as it is part of the expenses. Besides this, the Unit Owner also has to pay GST on the amount of Bill raised for Common Maintenance Charges every month as applicable.
2.	INDIRECT TAXES AND LEVIES : The Allottee shall be liable to pay all levies, charges, cess, Indirect Taxes, assignments of any nature whatsoever (present or future) in respect of the Unit or otherwise shall be solely and exclusively borne and paid by the Allottee. All Direct Taxes in respect of Profit (if any) earned from the development and sale to the Allottee shall be borne by the Promoter.
3.	POSSESSION AFTER COMPLETION : After obtaining Completion Certificate/partial completion certificate from the Competent Authority upon submission of the approval certificate from the technical specialists like the Architect, Structural or Foundation Engineers or others, if any, as per statute or otherwise signifying that the Unit/building is ready and habitable, the Promoter shall issue Notice of Possession to the Allottee whereupon the Allottee has to take possession immediately and not later than 15 days as the 15th day will be considered as 'DEEMED POSSESSION' and immediately the Allottee becomes liable to pay Maintenance Charges. Besides If the Allottee does not take possession of the flat on or within 15 days from the date of Notice of possession guarding charges will be applicable. The work approval certificates issued by the technical specialists required for the issue of CC / partial cc shall be construed as a defect-free completion of the building and any claim by the Allottee or his consultant shall not be entertained or shall not be a valid ground for refusal of accepting possession by the Allottee. Possession cannot be delayed on the pretext of minor defects or some common area work is still continuing. If there be any minor defect the Promoter will rectify it. The Promoter will rectify all constructional defects over the next five years so there is no logical ground available to the Allottee for delaying possession. If the Unit Promoter himself wants to get the work done he can give prior information to the Promoter and get the cost approved before getting the work done and claim reimbursement. At the time of handover, the customer will have to make the final payment and take handover of his flat. If the Allottee has requested for some extra work / modification and Promoter has agreed to complete such work, completion of this work will not be necessary for taking possession of the Flat and the Builder will do such work only after possession is taken by the Allottee. The same principle shall apply when the Common areas will be handed over to the Association of Apartment Promoters who cannot delay the hand over on the ground that some Common areas of the Phase/Project are not complete or some rectifications are pending. Association may also get the work done by itself by giving prior information to the Promoter and get the cost approved before getting the work done and claim reimbursement. Some facilities may be provided or installations made after the entire complex has received CC.
4.	NORMAL WEAR AND TEAR : It may be noted that there may be some normal wear and tear of the building through efflux of time due to factors like seasonal expansion and contraction and/or settlement of the structure; hair thin cracks, localized dampness as a

	percentage of human error within normal limits and is a natural occurrence since buildings are manmade and not a machine made product. Even if an Unit is kept closed for protracted period there may be faults appearing for non-use. All structural factors are considered and taken into account before CC is granted. Hence, the appearance of minor faults at a time lag is natural. In spite of all that promoter will rectify all the defects for five years. These defects will not imply any fault on the part of the Promoter. Repairing cost of False ceiling will be part of Maintenance expense
5.	ADDL. CONSTRUCTION IN FLATS/APARTMENTS/ UNITS : No Additional Construction on the exterior of Buildings or apartment is permissible. No internal changes allowed and Allottees cannot request Promoter for even minor modification as per rules as the Allottee can get it done only after getting possession. No request for change will be entertained by the promoter as that would delay project completion since it requires re-sanction without which we will not get the completion certificate (CC).
6.	RETAINED AREA OF THE PROMOTER : The Promoter may at its option keep aside a demarcated area in any portion of the Project area for future own use or further development. This Area will be termed as the 'RETAINED AREA'. The Promoter will have the liberty to put this area to specific use in future as it may deem fit and proper. If the Promoters utilize the retained area for their own use and share the common facilities and amenities of the Complex they shall also partake in the share of the common expenses.
7.	PHASE OR BLOCK-WISE FACILITIES AND AMENITIES : In large projects, the provision of various Facilities and Amenities is done block-wise or phase-wise. In some cases provisioning of all Facilities may take several years. While some Facilities may be provided in the initial phase there may be others which will come as the construction of the Complex progresses to subsequent phases. Sometimes the Promoter may later decide to provide some additional Facilities or add installations which were not earlier planned. In such cases the Allottees shall not object on the ground that the Common expenses may increase. There can also be a situation where due to adverse market condition the Promoter is forced to abandon a subsequent phase. In such cases also the Allottees shall not have any right to object. It is however assured that even if any phase is abandoned the committed facilities shall be provided. The Allottee shall not have any manner of right , title or interest in respect of the specified facilities , save and except the right to use and enjoy and /receive certain common services of/ from the said specified facilities , subject to the timely payment of the Maintenance Charges.
8.	CHANGE IN ALLOTMENT : If Allottee wants to change his allotted Flat and shift to another he has to first cancel the present allotment and Re-book a new flat which is available at a new price. Refund will be adjustable in the new booking and no amount ever will be paid physically to the Allottee.
9	AMOUNT OF MAINTENANCE CHARGES IS AN ESTIMATE ONLY: The figure of Maintenance Expenses provided in the Agreement is only an estimate and this approximate figure is not a commitment. The said amount is subject to inflation increases

	as per market factors (currently estimated @7.5 to 10 % per annum). The Unit Owners will be liable to pay the Maintenance Charges that will be worked out by the Maintenance In Charge at the end of the year. Audited accounts will be furnished by us.
10.	HANDLING OF FURNITURE AND OTHER OBJECTS : The Unit Owners shall use the passenger service Lift only for passenger travel and light and small goods only and not for carrying furniture or other objects which may cause damage to the lift. In special cases permission may be granted but only after receiving written assurance from the Unit Promoter that he undertakes to repair the lift if any damage is caused. Secondly, while making furniture, fixture or affixing anything within the Unit if any damage is caused to the floor or the wall the Promoter will not be responsible. That is why it is advised that the Allottee should check whether there is any dampness or cracks prior to embarking on these work. Otherwise Promoter will not be liable to rectify any defect.
11.	PLACEMENT OF DG, TRANSFORMERS ETC.: Placement of Transformers, DG, air-conditioners etc. shall be done as per the advice of the Architect and none of the Allottees individually or collectively shall have any right to object to the same or to have the installations relocated on the ground of inconveniences caused
12.	DELAY IN SUPPLY OF ELECTRICAL POWER : Sometimes due to procedural reasons there may be a delay in obtaining electrical power connection to the Complex. In case of such delays, till such time the connection is obtained the Promoter assures that power shall be made available from the DG. In such cases Promoter's Sub-meter shall be installed and Buyer will pay per unit cost of electricity as per electricity company rate. Additional cost if any will be at the cost of the Promoter during the interregnum.
13.	MARKETING COLLATERALS : The images shown in Marketing collaterals for flat with all furniture items, electronic goods, amenities etc provided thereon may not represent all the different types of Flats in the Complex but is only a representative specimen of limited type of Units solely intended for the purpose of giving out an idea of the kind of internal, specification, pipes some fitments as described in Specification Schedule 'D' (not furniture and fixture) etc and neither will it be a matching replica of the Flat Unit which the Customer intends to purchase nor will it be matching in its layout.
14.	TILING/FLOORING/WALLING : Secondly, in case the tiling/floor within any flat unit gets affected and there is a need to change some of the tiles, despite the best efforts the Promoter may not get the exact replacement of the tile as there may be a very marginal difference in tenor or appearance with the existing tiles. The same may happen if a hairline crack or crevice is repaired the color to be applied at the affected place may slightly differ with the existing color scheme and the Allottee agrees to accept these unavoidable minute differences.
15.	NAME OF THE COMPLEX : In the perception of the Promoter in a rare case in future there may arise the necessity to change the name of the Complex . In such cases the Unit Owners

shall not object to change of name and if need be, the Promoter is prepared to comply with any legal requirement, if any, in this regard.

The Allottee agrees and undertakes to cause the Association/Apex body to ratify and confirm that the name of the Building Complex shall not be changed without the prior written consent of the Promoter.

16. **FORCE MAJEURE :** If the completion of the said Apartment is delayed due to Force Majeure conditions or due to reasons beyond control, then the Allottee agrees that the Promoter shall be entitled to the extension of time for delivery of possession of the said Apartment Provided that such Force Majeure conditions or reasons beyond control are not of a nature which make it impossible for the contract to be implemented. The Allottee agrees and confirms that, in the event it becomes impossible for the Promoter to handover the said Apartment due to Force Majeure conditions or reasons beyond control, then this allotment shall be terminated and the Promoter shall refund to the Allottee the entire amount received by the Promoter from the Allottee within 90 days from the date of termination or within such further time as may be agreed between the parties. The liability of the Promoter to refund any amount to the Allottee shall arise only upon execution and registration of a Cancellation Agreement. After refund of the money paid by the Allottee, the Allottee agrees that he/she shall not have any rights, claims etc. whatsoever against the Promoter and that the Promoter shall be released and discharged from all its obligations and liabilities under this Agreement and no other amount whatsoever shall be payable by the Promoter.
