**Sub : Regarding Airport Authority, PCB and Environment Clearance for our Project "Skyline Breeze", at Holding at No. 383, Dr. B. C. Roy Road, Jagaddal, Kolkata- 700151**

Dear Sir / Madam,

This is for your kind information that –

1. The project is very much far from the periphery of Airport, hence it doesn't require the Airport Authority Clearance.
2. Further, the size of the plot is very small and the area under construction is very low, hence the permission is not required from PCB and environment clearance department

Thanking you,
