Independent Auditor's Report

Members of NITU DEVELOPERS PRIVATE LIMITED

I. Report on the audit of the financial statements

1. Opinion

- A. We have audited the accompanying financial statements NITU DEVELOPERS PRIVATE LIMITED ("The Company"), which comprise the balance sheet as at March 31, 2024, and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").
- B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit for the year ended on that date.

2. Basis for opinion

We conducted our audit of the Financial Statements in accordance with the standards on auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

4. Information other than the financial statements and auditors' report thereon

- A. The Company's board of directors is responsible for the preparation and presentation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

5. Management's responsibility for the financial statements

- A. The Company's board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- B. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

- A. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- C. Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.
- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Govt. and on the basis of such checks of the books and records of the Company as we considered appropriate and the information and explanations given to us during the course of our audit, we further report that:

The Company being a Private Limited Company with a paid-up capital not exceeding Rupees Four Crore and not having turnover exceeding Rupees Forty crores at any point of time during the financial year falls under the purview of Small Company as per provisions contained in Section 2(85) of The Act and hence Companies (Auditor's Report) Order, 2020 are not applicable to the same for the year under review.

2. As required by **Section 143(3) of the Act**, we report that:
- A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- C. The balance sheet, the statement of profit and loss statement dealt with by this report are in agreement with the books of account;
- D. In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the **Companies (Accounts) Rules, 2014**;

On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

- F. Since the Company's turnover as per last audited financial statements is less than Rs. 50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs. 25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017.
- G. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the limit prescribed by section 197 for maximum permissible managerial remuneration is not applicable to a private limited company.

3. With respect to the other matters to be included in the Auditor's Report in accordance with **Rule 11 of the Companies (Audit and Auditors) Rules, 2014**, in our opinion and to the best of our information and according to the explanations given to us:

- A. The Company does not have any pending litigations which would impact its financial position;
- B. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- C. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- D. (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("intermediaries") with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or behalf of the company ("ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries.
- (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries; and
- (iii) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has

caused us to believe that representations under sub clause (i) and (ii) contain any material misstatement.

E. The Company has neither declared nor paid any dividend during the year.

F. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility but the same has not been enable during the year . As informed to us neither the management nor the accountant has any knowledge of the said feature. As soon as they came to know about this, they are taking necessary steps to activate the same. Since there is no audit trail feature during the year, the question of tempering & preservation of audit trail doesn't arises. However, in our opinion, proper books of accounts stating true & fair states of affairs of the Company, as required under Sec 128(1) of the Companies Act, 2013, has been maintained by the company for the financial year 2023-24.

NOTES ON ACCOUNTS

Corporate Information

NITU DEVELOPERS PRIVATE LIMITED is a private company domiciled in India and incorporated under the provisions of the Companies Act, 1956.

1. Summary of significant accounting policies

(a) Basis of preparation

The presentation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made that affect reportable amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the year in which the results are known / materialized.

The company has ascertained its operating cycle as up to twelve months for the purpose of current and non-current assets and liabilities.

2. Changes in Accounting Policy

(a) Presentation and disclosure of financial statements

The financial statements of the Company have been prepared under the historical cost convention in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under Section 211 (3C) of the Companies Act, 1956 (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated 13 September, 2013 of the Ministry of Corporate Affairs) and the relevant provisions of the 1956 Act/2013 Act. The Company follows the mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis.

(b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(c) Property, Plant & Equipment and depreciation

Property, Plant & Equipment are stated at cost, less accumulated depreciation and impairment cost, if any. Cost comprises the purchase price and any attributable cost of bringing the asset

DIRECTOR

its working condition for its intended use.

Depreciation on Property, Plant & Equipment are provided on the Carrying amount/Written down Value over their remaining useful lives as prescribed by Schedule – II of the Companies Act, 2013. Further, the scrap value has been estimated at 5% of the Original cost of acquiring the asset. In instances, where the asset in use has already served the life as prescribed under the said schedule, then the carrying amount of such asset has been transferred to Retained Earnings after retaining the residual value or written down value, whichever is lower.

(d) Investments

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Investments are recorded as cost on the date of purchase, which includes acquisition charges such as brokerage, stamp duty, taxes etc. Current investments are stated at lower of cost and net realisable value. Long term investments are stated at cost after deducting provisions made, if any other than temporary diminution in the value.

(e) Inventories

Raw materials, components, stores and spares and packing materials are valued at lower of cost and NRV. However this item are considered to be realizable at cost if the finished product in which they will be used are expected to be sold at or above cost.

Finished goods and stock-in-trade are valued at lower of Cost and NRV. Finished goods include cost of conversion and other costs incurred bringing the inventory to their present location and condition.

Construction work-in-progress of constructed properties other than Special Economic Zone (SEZ) projects includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development charges, construction costs, overheads, borrowing cost if inventorisation criteria are met, development/ construction materials and is valued at lower of cost/ estimated cost and net realisable value.

Construction/development material is valued at lower of cost and net realizable value. Cost comprises of purchase price and other costs incurred in bringing the inventories to their present location and condition

(f) Revenue Recognition

Sale of land and plots is recognized in the financial year in which the agreement to sell is executed with the concerned buyer's and recognized net of Goods and Service tax, and it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of construction work/sale of land is recognized when the significant risk and rewards of ownership of the construction work have passed to the buyer.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate. Agricultural income is recognized on accrual basis.

Agricultural Income is recognized on Accrual Basis.

come taxes

Provision for tax for the year comprises current (net of MAT Credit entitlement) income-tax, deferred tax and fringe benefit tax. Current income-tax is determined in respect of taxable income with deferred tax being determined as the tax effect of timing differences representing the difference between taxable incomes and accounting income that originate in one period, and are capable of reversal in one or more subsequent period(s). Such deferred tax is quantified using rates and laws enacted or substantively enacted as at the end of the financial year.

Provision for current tax is made on the basis of estimated taxable income for the current accounting year in accordance with the Income Tax Act, 1961.

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the balance sheet date. Deferred tax assets arising from timing differences are recognised to the extent there is reasonable certainty that these would be realized in future.

The carrying amount of deferred tax assets are reviewed at each Balance sheet date. The company writes down the carrying amount of a deferred tax asset to the extent that is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

(h) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Earning considered in ascertaining the company's earning per share (EPS) is the net profit for the period after deducting preference dividend and any attributable tax thereto for the period. The weighted number of equity shares outstanding during the period and for all periods presented each adjusted for the events such as bonus shares, other than the conversion of potential Equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(i) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand including fixed deposit with original maturity period of less than three months and short term highly liquid investments with an original maturity of three month or less.

DIRECTOR

Contingent liabilities and provisions

Contingent liabilities if material are disclosed by way of notes and contingent assets are not recognized or disclosed in the financial statements.

Provisions are recognized when there is a present obligation as a result of past event's, and it is probable that an out-flow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance sheet Date.

(k) Additional Information

The value of imports calculated on C.I.F basis by the company during the financial year in respect of:

1. Raw Materials, Components and spare parts & Capital goods NIL
2. Expenditure in foreign currency during the financial year on account of royalty, know-how, professional and consultation fees, interest, and other matters; NIL
3. Total value of all imported raw materials, spare parts and components consumed during the financial year: NIL
4. The amount remitted during the year in foreign currencies on account of dividends. NIL

(l) Various ratios relating to Books of Accounts:

SL. NO.	PARTICULARS	CURRENT YEAR	PREVIOUS YEAR	% CHANGE IN RATIO

	<u>Net Credit Sales</u> Average Account Receivables	12.15	31.37	-61.28%
VII	<u>Trade Payables turnover Ratio</u> <u>Net Credit Purchases</u> Average Account Payables	3.44	3.54	-3.00%
VIII	<u>Net Capital Turnover Ratio</u> <u>Net Sales</u> Average Working Capital	4.68	8.04	-41.81
IX	<u>Net Profit Ratio</u> <u>Net Profit</u> Net Sales	0.15	0.04	302.69%
X	<u>Return on Capital Employed (ROCE)</u> <u>Earnings before Interest and Taxes</u> Capital Employed	44.61%	20.72%	115.33%
XI	<u>Return on Investment (ROI)</u> $\frac{(MV(T1) - MV(T0) - \text{Sum } [C(t)])}{(MV(T0) + \text{Sum } [W(t) * C(t)])}$	N.A	N.A	N.A

Reasons for change in Ratios for over and above 25% compared to preceding previous year:

Debt Service Coverage Ratio: Due to increase in Earnings available for Debt Service and a Debt Service over last year.

Return on Equity (ROE) Ratio: Due to an increase in Net Profits after Taxes – Pref. Dividend and an increase in Average Shareholders' Equity over last year.

Inventory Turnover Ratio: Due to an increase in Cost of Goods Sold / Sales and an increase in Average Inventory over last year.

Trade Receivable turnover Ratio: Due to a decrease in Net Credit Sales and an increase in Average Account Receivables over last year.

Net Capital Turnover Ratio: Due to a decrease in Net Sales and an increase in Average Working Capital over last year.

Net Profit Ratio: Due to an increase in Net Profit and a decrease in Net Sales over last year.

Return on Capital Employed (ROCE): Due to an increase Earnings before Interest and Taxes and an increase in Capital Employed over last year.

Details relating to ratios:

Earning for Debt Service: Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of fixed assets etc.

Debt service: Interest & Lease Payments + Principal Repayments

Net Profit after tax means reported amount of "Profit / (loss) for the period" and it does not include items of other comprehensive income

Average Inventory: $\{(\text{Opening inventory} + \text{Closing inventory}) / 2\}$

Net credit sales: gross credit sales - sales return

Average trade debtors: $(\text{Opening} + \text{Closing balance} / 2)$

Net credit purchases: Gross credit purchases - purchase return

Net Sales: total sales - sales returns

Working capital: current assets - current liabilities

Capital Employed: Tangible Net Worth + Total Debt + Deferred Tax Liability (or)
Total Assets – Current Liabilities

Tangible Net Worth: Total Assets – Total Liabilities – Total Intangible Assets –
Deferred Tax Assets/Preliminary Expenses

T_1 = End of time period

T_0 = Beginning of time period

t = Specific date falling between T_1 and T_0

$MV(T_1)$ = Market Value at T_1

$MV(T_0)$ = Market Value at T_0

$C(t)$ = Cash inflow, cash outflow on specific date

$W(t)$ = Weight of the net cash flow (i.e. either net inflow or net outflow) on day 't', calculated as $[T_1 - t] / T_1$

- (m) While every effort has been made to ensure compliance with all applicable provisions and statutory requirements in the preparation of our financial statements, if there is any under or over provision for income tax or depreciation, or any omission of income or expenses, these will be accounted for in the next financial year.
- (n) Previous Year's figures have been re-grouped and reclassified wherever necessary so as make them comparable with the current year's figures.
