B. INTERPRETATIONS: For the benefit of the Allottee a list of important points pertinent to this Agreement are briefly stated hereunder for a clear interpretation:

<u>SL.NO</u>	<u>SUBJECT</u>	<u>CLAUSE</u>
<u>1</u>	<u>GST ON MAINTENANCE</u>	All Unit Owners shall have to pay GST on Maintenance cost as applicable. Payment of GST on Vendors' Bill is mandatory and cannot be avoided under any circumstances as it is part of the expenses. Besides this , the Unit Owner also has to pay GST on the amount of Bill raised for Common Maintenance Charges every month as applicable but input credit of tax paid on Vendor's bills will be set off against GST liabilities on Maintenance Bills. .
<u>2.</u>	<u>INDIRECT TAXES AND LEVIES</u>	The Allottee shall be liable to pay all levies, charges, cess, Indirect Taxes, assignments of any nature whatsoever(present or future) in respect of the Unit or otherwise shall be solely and exclusively borne and paid by the Allottee. All Direct Taxes in respect of Profit(if any) earned from the development and sale to the Allottee shall be borne by the Promoter.
<u>3.</u>	<u>POSSESSION</u>	After CC, the Promoter shall appoint an Auditor who

	<p style="text-align: center;"><u>AFTER COMPLETION</u></p>	<p>will carry out a snag audit of the Unit and once he confirms that the Unit is ready and habitable, the Promoter shall issue Notice of Possession to the Allottee whereupon the Allottee has to take possession immediately and not later than 15 days as the 15th day will be considered as 'DEEMED POSSESSION'. Possession cannot be delayed on the pretext of minor defects. If there be any minor defect the Promoter will rectify it . The Promoter will rectify all constructional defects over the next five years so there is no logical ground available to the Allottee for delaying possession. If the Unit Owner himself wants to get the work done he can give prior information to the Promoter and get the cost approved before getting the work done and claim reimbursement.</p> <p>The same principle shall apply when the Common areas will be handed over to the Association of Apartment Owners who cannot delay the hand over on the ground that some Common areas of the Phase/Project are not complete or some rectifications are pending. Association may also get the work done by itself by giving prior information to the Promoter and get the cost approved before getting the work done and claim reimbursement. Some facilities may be provided or installations made after the entire complex has received CC.</p>
4.	<p style="text-align: center;"><u>NORMAL WEAR AND TEAR</u></p>	<p>It may be noted that there may be some normal wear and tear of the building through efflux of time due to factors like seasonal expansion and contraction and/or settlement of the structure; hair thin cracks , localized dampness as a percentage of human error within normal limits and is a natural occurrence since buildings are man made and not a machine made product. Even if an Unit is kept closed for protracted period there may be faults appearing for non-use. All structural factors are considered and taken into account before CC is granted. Hence, the appearance of minor faults at a time lag is natural. In spite of all that promoter will rectify all the defects for five years.</p>

		These defects will not imply any fault on the part of the Promoter. Repairing cost of False ceiling will be part of Maintenance expense.
<u>5</u>	<u>ADDL CONSTRUCTION IN ROW HOUSES</u>	No Additional Construction on the exterior of Row Houses is permissible. Only non structural changes of a minor nature may be allowed to the Unit Owner but he has to first obtain permission from the Promoter before making such changes.
<u>6.</u>	<u>RETAINED AREA OF THE PROMOTER</u>	The Promoter may at its option keep aside a demarcated area in any portion of the Project area for future own use or further development. This Area will be termed as the 'RETAINED AREA'. The Promoter will have the liberty to put this area to specific use in future as he may deem fit and proper. If the Promoters utilize the retained area for their own use and share the common facilities and amenities of the Complex they shall also partake in the share of the common expenses. Likewise if the Retained area is developed as an additional phase of the Complex in future, the Allottees of such additional phase shall also pay their share of the Common expenses. In both cases Maintenance will be charged on per Square feet of constructed area basis and not on per land area basis.
<u>7.</u>	<u>PHASE-WISE FACILITIES AND AMENITIES</u>	<p>In large projects the provision of various Facilities and Amenities will be phase-wise. In some cases provisioning of all Facilities may take several years. While some Facilities may be provided in the initial phase there may be others which will come as the construction of the Complex progresses to subsequent phases.</p> <p>Sometimes the Promoter may later decide to provide some additional Facilities or add installations which were not earlier planned. In such cases the Allottees shall not object on the ground that the Common expenses may increase. There can also be a situation where due to adverse market condition the Promoter is forced to abandon a subsequent phase . In such cases also the Allottees shall not have any right to</p>

		object. It is however assured that even if any phase is abandoned the committed facilities shall be provided.
<u>8.</u>	<u>AMOUNT OF MAINTENANCE CHARGES IS AN EXTIMATE ONLY</u>	<p>The figure of Maintenance Expenses provided in the Agreement is only an estimate and this approximate figure is not a commitment. The Unit Owners will be liable to pay the actual Maintenance Charges that will be worked out by the Maintenance In Charge at the end of the year. Audited accounts will be furnished by us.</p> <p>If Unit Owners are not satisfied with the Maintenance Charges and/or the audited accounts they may hire the services of a reputed Auditor like big four and in that case the expense for taking their services will also form part of the Maintenance charges. The Auditor appointed by the Unit Owners can in consultation with the Project Auditors appointed by the Promoter , jointly do a fair audit of the Charges and if they decide that some expenses can be reduced, we will abide by such advice. It may however be noted that under any circumstances actual expenses incurred cannot be reduced.</p>
<u>9.</u>	<u>RUBBISH THROWN FROM HIGHER FLOORS</u>	Rubbish thrown from higher floors will attract imposition of penalty since cleanliness of the entire Complex is of paramount importance. Some of the Units on the lower floors may have attached open terraces. Unit Owners in the higher floors must take more care not to throw any material from the higher floors which may litter the terraces below . Higher than normal Penalty may be imposed in case of willful misconduct so due care should be taken to prevent such mishappenings.
<u>10.</u>	<u>ENQUIRIES REGARDING CONSTRUCTION STATUS</u>	<p>if Allottee wants to know the construction status of the project please visit Project website for the update. The details to access the same is given below :</p> <p>Click on the link www.srijanrealty.com/</p> <p>Login id: Your registered email id</p>

<u>11.</u>	<u>UTILIZATION OF UNIT BY PROMOTER BEFORE CC</u>	<p>During construction, the Promoter shall be entitled to temporarily use a fully/partially constructed Unit but for which CC is yet to be obtained, for use as a store or for the purpose of labour stay or any other use and the Allottee shall not object to the same that he is getting an used Unit.</p>
<u>12.</u>	<u>CHANGE IN ALLOTMENT</u>	<p>If Allottee wants to change his allotted Unit and shift to another he has to first cancel the present allotment and Re-book a new Unit which is available at a new price. Refund will be adjustable in the new booking and no amount ever will be paid physically to the Allottee.</p>
<u>13.</u>	<u>DAMAGE</u>	<p>In case of any complaint regarding cracks, damp flooring etc. at the time of taking possession, the Promoter remains responsible to make good the same upto 5 years. It is however to be noted that claims for only constructional defects shall be honoured and not collateral or consequential damages or losses.</p>
<u>14.</u>	<u>AVOID FRIVOLOUS COMPLAINTS</u>	<p>In case the Unit Owner of the Floor above is away and there is a leak which is temporarily affecting the Unit on the floor below the Allottee will be expected to bear with the same over a reasonable time till return of the Unit Owner of the Unit above. If the Owner above is</p>

		not cooperating we may force open the door to rectify the defect and again repair the door at the cost of the Association. If the Owner of the lower Unit is also not available we can follow the same procedure to prevent continuous leakage of water.
<u>15.</u>	<u>FURNITURE AND OTHER OBJECTS NOT BY LIFT</u>	Unit Owners shall use the passenger service Lift only for passenger travel and light and small goods only and not for carrying furniture or other objects which may cause damage to the lift. In special cases permission may be granted but only after receiving written assurance from the Unit Owner that he undertakes to repair the lift if any damage is caused.

<u>17.</u>	<u>PLACEMENT OF DG, TRANSFORMERS ETC</u>	Placement of Transformers, DG, air-conditioners etc. shall be done as per the advise of the Architect and none of the Allottees individually or collectively shall have any right to object to the same or to have the installations relocated on the ground of minor inconveniences caused.

If any changes are required to be made, the additional cost will become part of common expenses.
22.	<u>QUALITY OF WATER SUPPLY</u>	The Promoter shall confirm the quality of the water supplied to the entire complex and obtain Water test report certifying that the water supplied to be of good potable quality and following such test report nobody shall question the quality of water.
