**Declaration cum Clarification for Mismatch of R.S. Dag No. In Legal Searching Report**

This is to declare, certify and clarify that the **R.S. Dag No** for our Project **ANUDIP GRANDEUR** is **1693/2166** and **not 1693/2126** (as mentioned in the Legal Searching Report) as it is an inadvertent typing error on the Part of the Legal Counsel.

It can be clearly verified from our Registered Joint Development Agreement and other Legal Documents also that the **Correct R.S. Dag No. 1693/2166** and that the inadvertent typing error on the Part of the Advocate be kindly ignored.

I, take full responsibility of the statement being made by Me.
