Notes to the Financial Statement for the year ended 31st March, 2023

1. Summary of Significant Accounting Policies :

Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with applicable Accounting standards in India under historical cost convention on the accrual basis. All assets and liabilities have been classified as current and non – current. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

Use of Estimates

The presentation of financial statements in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

Property, Plant and Equipment (Tangible Assets)

Property, Plant & Equipments is stated at acquisition cost, net of depreciation and impairment losses. The cost comprises of purchase cost, duties and taxes and incidental expenses related to acquisition, and other directly attributable cost of bringing the assets to its working conditions for intended use.

Depreciation and Amortization

Depreciation on Fixed Assets is provided on the written down value method under Income Tax Rules.

Revenue Recognition

Company derives revenues primarily from providing construction services.

The Contract revenue and expense have been recognized as revenue and expense based on the stage of completion of the contract. This method is called percentage of completion method. The stage of completion of the contract shall be determined with reference to the part of contract costs incurred to complete a certain set of activities up to the reporting date, surveys of work performed and the physical part of contract work completed.

Employee Benefits Expenses

Short Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as expense during the period when the employees render the services.

Post-Employment Benefits

The Company recognises contribution payable to the provident fund and Employee State Insurance scheme as an expense when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability. If the contribution already paid exceeds the contribution due for services received before the balance sheet date then excess is recognised as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

Cash and Bank Balances

Cash and Bank Balances includes cash in hand , balances with banks and other short- term highly liquid investments with original maturities of three months or less, which are subject to an insignificant risk of changes in value.

Current Tax

Provision for Current tax is made based on the liability computed in accordance with the relevant tax rates and provisions of Income Tax Act, 1961 as at the balance sheet date and any adjustments to taxes in respect of the previous years, penalties if any related to income tax are included in the current tax expense.

Project Cost

All expenses incurred towards the Projects have not been charges to Profit & Loss A/c, the same has been considered under "Project WIP" shown under the head of "Other Current Assets" in Balance Sheet.
