

## To whomsoever it may concern

This is to declare and certify that as per Para 24 of Pg 21 of our Joint Development Agreement, we had to refund an amount of Rs. 15,00,000/- to the Developer, in order to get the JDA Cancelled, but we have not refunded any such amount and that the JDA stands valid and that we have not invoked such clause as mentioned hereabove.

Kindly treat this letter as our express consent to the aforementioned condition.
