**III. THE PROMOTER DOTH HEREBY REPRESENT AND WARRANT TO THE PURCHASER** as follows:

The Promoter doth hereby repeats and reiterates all representations and warranties, as made in the Sale Agreement and in addition to that further represents and warrants to the Purchaser that:

- i) The Owners and Promoter assures the Purchaser that the Owners and Promoter has the right to execute this Deed of Conveyance and has not committed or omitted to perform any act or thing, whereby the right title and interest of the Purchaser created herein, may be prejudicially affected.
- ii) the Unit and the Project are complete in all respect, habitable and have been constructed and developed without any workmanship or quality or structural defect.
- iii) The transfer of the proportionate undivided indivisible impartible share in the Common Areas and Installations in the name of the Allottee is being done in the capacity of the Allottee as a trustee

on behalf of and for the benefit of the Association / Maintenance Company (as applicable) to be ultimately formed for the Project and that the Allottee shall transfer the proportionate undivided indivisible impartible share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable) at its own costs at the appropriate time after formation of the Association/Maintenance Company (as applicable) and/or at such time when all the Allottees of different Units transfer their proportionate undivided indivisible impartible share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable). The Promoter is under an obligation to transfer in favour of the Allottee the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment. From Section 17 of the Real Estate (Regulation and Development) Act, 2016 it appears that the undivided proportionate title in the Common Areas and Installations is to be transferred to the Association in addition to handing over of the Common Areas and Installations to the Association. However, from Clause 10 of Annexure 'A' to the West Bengal Real Estate (Regulation and Development) Rules, 2021 it appears that by the Deed of Conveyance, title of the said Apartment together with proportionate indivisible share in the Common Areas and Installations are to be transferred to the Allottee. It also appears from Section 5(2) of the WB Apartment Ownership Act, 1972 that undivided interest in the common areas and facilities shall be deemed to be conveyed or encumbered with the Apartment even though such interest is not expressly mentioned in the conveyance. Accordingly, there is

contradiction, ambiguity and/or lack of clarity regarding transfer of the undivided proportionate share in the Common Areas and Installations. Further as per the registration procedure followed by the Registration Authorities in West Bengal for registering Deeds of Conveyance regarding the said Apartment, the market valuation of the said Apartment is to be ascertained from the website of the Registration Authorities and the same is required to be approved by the Registration Authorities for enabling the Deeds of Conveyance to be registered. The Market Valuation e-Assessment Slip regarding any Apartment can be generated only on the basis of super built-up area which includes the undivided proportionate share in the Common Areas and Installations and market valuation is made on such basis taking into consideration the undivided proportionate share in the Common Areas and Installations. Stamp duty and registration fees are payable on the basis of such valuation including undivided proportionate share in the Common Areas and Installations without which the Deed of Conveyance cannot be registered. Under the aforesaid circumstances, it is not possible for the Promoter to execute this Deed of Conveyance in favour of the Purchaser only in respect of the said Apartment excluding the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment. Further and in any event, presently there is no procedure for registration of a Deed of Transfer / Conveyance of undivided proportionate share in the Common Areas and Installations in favour of the Association without any consideration. The consideration for the undivided proportionate share in the Common Areas and Installations is being paid by

the Allottee and no amount is or shall be receivable by the Promoter from the Association. Under the circumstances, at present there is no practical method of transfer of undivided proportionate share in the Common Areas and Installations in favour of the Association without payment of any consideration. In view of the above situation, the Promoter has no option but to execute this Deed of Conveyance in favour of the Allottee transferring also the undivided proportionate share in the Common Areas and Installations since the stamp duty and registration fees are being paid by the Allottee on such basis and in as much as the ultimate aim of the Real Estate (Regulation and Development) Act, 2016 including Section 17 thereof and Annexure A of the Rules is that the Promoter should not retain ownership of the undivided proportionate share in the Common Areas and Installations which should be transferred to the Allottee and/or for his benefit to the Association. Under such circumstances, the Promoter is hereby discharging its obligation of transfer of the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment in favour of the Allottee herein with the understanding that the Allottee shall hold the same in trust for the Association/Maintenance Company (as applicable) to be formed in future in respect of the Project and shall transfer the same to such Association/ Maintenance Company (as applicable) in accordance with law, if and when clarity is available on the above issue. If necessary, the Promoter agrees to join as a party to such deed and/ or document for transfer of undivided proportionate share in the Common Areas and Installations in favour of the Association / Maintenance Company (as

applicable). The stamp duty and registration fees, if any, for such transfer shall be payable by the Purchaser proportionately along with all the Allottees of the Project.

**IV. THE ALLOTTEE DOTH HEREBY COVENANT WITH THE PROMOTER** as follows:

- A. The Allottee so as to bind himself/herself/ themselves to the Promoter and the other allottees and so that this covenant shall be for the benefit of the Project and other Apartments therein hereby covenants with the Promoter and with all the other allottees that the Allottee and all other persons deriving title under them will at all times hereafter observe the terms conditions covenants restrictions set-forth herein and also in the said Sale Agreement, which shall apply mutates mutandis.
- B. The Purchaser hereby acknowledges that it is his/her/its obligation and liability to make payment of all rates, taxes and all other outgoings whether local state or central in respect of his/her/it Unit from the date or deemed date of delivery of possession of the said Apartment to the Purchaser and shall be liable to make payment as and when the same becomes due and payable without raising any objection whatsoever or howsoever and agrees to indemnify and keep the Owners and the Promoter and the Association saved harmless and fully indemnified of and from against all losses damages costs claims actions and proceeding including litigation cost suffered by the Promoter for non payment or delay in payment of the same.
- C. In terms of the Sale Agreement, the Allottee has at or before the execution hereof deposit and/or keep deposited with the

Promoter a sum of Rs. \_\_\_\_\_/- (Rupees \_\_\_\_\_) only to remain in deposit with the Promoter and in the event of any default by the Allottee in making payment of the corporation and other rates taxes (if applicable) and outgoings, electricity charges, maintenance charges and proportionate liability towards the Common Expenses (including those mentioned in the Fourth Schedule) within the due dates and in the manner mentioned hereunder, the Promoter in their sole discretion and without prejudice to the other rights and remedies available to the Promoter, be entitled to meet out of the said deposit the amount/s under default. At the time of handover of the common areas and the common purposes to the Association / Maintenance Company, the Promoter shall transfer the balance lying in the said deposit account of the Allottee to the Association / Maintenance Company.

#### **1. MAINTENANCE OF THE SAID APARTMENT/PROJECT**

The Promoter shall be responsible to provide and maintain the Project, including the Common Areas and Installations and the essential services, till taking over of the maintenance of the Project by the Association of Allottees subject to Allottees making payment of the maintenance charges agreed under these presents.

The terms conditions covenants restrictions etc., pertaining to use and enjoyment of the Common Areas and Installations of the Project are contained in **Annexure "B"** hereto and all the Allottees of the said Apartment shall be bound and obliged to comply with the same.
