

TO WHOM SO EVER IT MAY CONCERN

I, **CA UJWAL GUPTA**, based on my verification of the books of accounts, records, documents and Income Tax Returns filled of **Ashish Ghosh**, the **promoter** of the proposed project "**SWAMI VIVEKANDA APARTMENT**" and as per the explanations given and information provided to my satisfaction do hereby certify that:

1. For the **F.Y. 2021-22, 2022-23, 2023-24** i.e. last 3 Financial Years the turnover reported in the Income tax returns is within the permissible limit allowed by the Income Tax Act, 1961, under which no **Audit** is required.
2. For the time period in question as the Income Tax Act, 1961, or any other statute, does not mandate the promoter to file or conduct an audit, hence no such Audit has been conducted nor reported.
3. For the current period i.e. **F.Y. 2024-25**, as the promoter wishes to get its project registered under **RERA**, the promoter would be liable to get its books audited and report to the authorities, which the promoter should oblige.
