DECLARATION CUM CLARIFICATION FOR PROPRIETORSHIP

This is to declare and certify as under:

1. M/s. DEY CONSTRUCTION is a Proprietorship Firm and Sri Sanjib Dey is the Proprietor of the aforementioned Firm
2. The Objection raised in the WBRERA Website is as follows:

"It appears that the nature of business is proprietorship firm, but signing authority is given to Chairman/MD i.e Sanjib dey. Proper explanation is needed"

EXPLANATION TO THE OBJECTION

That in the Website of H'ble WBRERA Authority there is **NO OPTION** to **Select for PROPRIETOR** in the **Drop Down Box** as the Options provided in the Company Details Section under Head – Signing Authority are as follows:

- a) Chairman/MD
- b) Director
- c) Partners

Hence we have to Select - Chairman/MD as that is the most nearest abbreviation to Proprietor and selecting any of the Other Two Options for a Proprietorship will be a grave mistake.

And that is the reason the OPTION – Chairman/MD is being selected by us.
