Dear Sir / Madam,

This is for your kind information that –

1. The aforesaid project doesn't require Fire NOC since it's a G+3 Building. Though we will take necessary steps to prevent fire in the project.
2. Further, The Airport Authority Clearance is not required since it's a G+3 Building.
3. Further, the land developed for residential purpose doesn't required Environment Clearance certificate; because of smaller size of the project.
