Subject: Clarification regarding change in entity status

Dear Sir/Madam,

This is to inform you that the status of our entity was converted from Srijan Residency LLP to Srijan Residency Limited in December 2025. Before the conversion, all statutory compliances, including the filing of Income Tax Returns, were duly undertaken in the name of Srijan Residency LLP.

Accordingly, the earlier Income Tax Returns reflect the name of the LLP, as they pertain to the period preceding the conversion.

You are requested to kindly take the above on record and consider the same while reviewing our application. We shall be glad to provide any further clarification or supporting documents, if required.

Thanking you,

Yours sincerely, SRIJAN RESIDENCY LIMITED
