MASTER PLAN

273  
26 NOV 2018  
The State has been authorized under the provisions of the Constitution of India to take all such measures as may be necessary in the interest of the State and the conduct of its affairs to secure the effective implementation of the provisions of the Constitution relating to the distribution of powers between the different levels of government. The State has accordingly enacted the State Reorganisation Act, 1956, which has brought into force the provisions of the Constitution relating to the distribution of powers between the different levels of government from the date of its commencement of operation.
