APPROVED  
Bihannagar Municipal Corporation  
Pura Bhuvan, PD-415A, Sector-III  
Kolkata-700105  
No. BMC/BA/1002/GI-H.I.I.X.X.I)-H/02.  
Date: 24/08/2023

- Approved Subject to Building Rules for Bihannagar Municipal Corporation shall have to be observed, carefully.
- 1) No wastage of water shall be made, check valve must be provided in ground/under ground & overhead reservoir.
  - 2) In no case water from rain water pipe and the surface drainage should be connected to the house sewer directly or through any yard gully.
  - 3) Plan showing internal sewer system and water supply lines have got to be separately sanctioned.
  - 4) Before starting any construction it should be satisfied that the site dimension conforms with that of plans sanctioned and all the conditions as processed in the plan shall be fulfilled.
  - 5) Road and footpath shall not be encroached by dumping of building materials mixing of mortar etc. without prior permission.
  - 6) Prior to commencement of construction Appendix-B shall have to be submitted.

During construction following measures are to be strictly taken to reduce the effects of dust pollution from building construction sites.

- Properly covering all building materials stacked at site like cement bags, sand, lime & stone chips.
  - Using water sprays or sprinklers to keep the dust down during activities such as concreting, plastering, breaking concrete and piling activities.
  - Washing the wheels of vehicles leaving the site, if they are carrying mud or waste.
  - Putting up solid barriers around the site.
  - Properly covering trucks & vehicles that enter and leave the site-carrying building materials and building debris.
  - Cleaning and watering the road and footpath adjacent to the site at frequent intervals.
  - Using dust bags, spraying water when using stone cutters and making the working area wet before using the machinery.
- Not burning waste materials at site which causes smoke containing carbon monoxide and a range of poisonous substances.
