6021

1. This sanction is given for the period of two years commencing from the date of sanction. If the applicant is not able to complete the work within the period of two years, he may be provided in the West Bengal Industries and Commerce Act, 1956.
2. Sanction is granted on the basis of statements and representations made by the applicant. If any misstatements, false and/or misleading information supplied by the applicant is discovered at a later stage, or false or misleading statements were made and that any disclosure/declaration was made, and/or was not full and complete the sanctioned work shall be removed without prejudice to other laws and regulations which may be applicable under the Act and Rules thereunder.
3. Before commencing construction the site must contain at least 50% of the sanctioned area. The applicant must implement all provisions and representations made in the Plan in full.
4. No deviations may be made from the sanctioned plan and it made the same is to be ultimately demolished and the cost of such demolition recovered from the applicant/owner.
5. The onus of ensuring the correctness of plan lies on the applicant/owner.

consent is to be obtained from the Airport Authority of India before commencing construction.

Within one month after the completion of the erection of a building or the extension of any work thereon, the contractor or other person in charge of the building must submit a notice of completion to the municipality in compliance with provisions in Rule 20-1-10.

Failure to do so will render a subsequent building inspection invalid and the contractor may be subject to a fine.
