As per the timeline stipulated in the sanctioned building plan, the construction of the project has already been completed in its entirety. No further construction or structural work remains to be carried out at the site.

All the flats in the said project have also been duly handed over to the respective allottees.

In view of the above, there is no necessity or practical purpose for seeking revalidation of the sanctioned plan at this stage.

We are presently awaiting issuance of the Completion Certificate from the Kolkata Municipal Corporation (KMC).
