2. Certified that the search report under Index-II (Regn.No. Y 523205 dated 01.09.2017) at A.R.Cal from 1960 to 2001 show nil transaction and from 2002 to 2017 Computer records show nil transaction for the said Property.

Alipore records 1960 to 1964 show nil transaction and the records of SRO Behala show nil transaction, only the records of 1965 at SRO Behala Shows a Transfer of a part of the Property by way of Sale.

This is to say that the said vastu Property being plot no. 3498 under Khatian no. 2387 & 2388, already mutated in the name of Smt. Kalyani Basu Wife of Sri Brahma Pada Basu of Rajani Mukherjee Lane, Kolkata- 33, P.s.- Behala and Bldg. Plan also sanctioned during 1965 by S R Behala.

During the period of search by the said searcher as per records, papers & documents are available therein and records and reports submitted by the said offices I found that there is no record of entry for transfer of said property by way of sale, mortgage, gift, lease or by any other mode whatsoever other than a part ~~xxxxxxx~~ ~~xxxxxxx~~ transferred by way of sale, during 1965 from SRO Behala.

Now it is my opinion that the above present owner does still hold occupy and possess the said property under plot no.3493 under Khatian no. 2387 and 2388, except the part of the sold property during 1965 and the balance of the said property has got a clear and fair marketable title which is free from all encumbrances as per records of the above mentioned said offices.
