The image shows the interior of a building under construction. The walls and ceiling are made of grey concrete. On the left, there is a large, dark concrete door or partition with several circular holes. In the center, there is an opening leading to another room with windows. A red and white striped traffic cone is placed in the middle of the room. To the right, a wooden ladder is leaning against the wall. The floor is a mix of concrete and dirt. The text "Tower 2", "12 th floor", and "E flat" is overlaid in red, with a red triangle icon between "Tower 2" and "12 th floor".
