A photograph of a modern lobby with a reception desk, a security guard, and a speech bubble overlay. The lobby features a large, polished stone floor with a mix of light and dark tones. The walls are also covered in large stone tiles. A reception desk with a dark, angular design is positioned on the left, with a security guard in a blue uniform standing behind it. A large window on the left allows bright light into the space. A doorway on the right leads to a blue-walled area. A speech bubble is overlaid on the right side of the image.
