

Block-1/1st floor

Block-1/2nd floor

Block-1/3rd floor

A photograph of a dark, narrow hallway. The walls are made of concrete blocks with visible mortar joints. The floor is covered in a layer of dust and debris, including small stones and fragments of concrete. The hallway leads into a dark, tunnel-like passage that recedes into the distance. A small, bright light source is visible at the far end of the hallway, creating a silhouette effect. The overall atmosphere is dim and somewhat unsettling.
