**Sub: Request for Change in the name of residential Housing Project Project bearing Project ID : NPR-00529, registered under HIRA/P/SOU/2019/000718 from "PRABHU ORCHARD" to "CAMBRIDGE GREEN":**

Respected Sir,

We the Promoter of the aforesaid Project had faced irreparable lossess during last one year due to the Covid-19 Pandemic situation. During this period we haven't ever witnessed a single booking and inspite of that we had to receive a lot of cancellation of pre booked apartments.

Under such circumstances, because of such market failure, we had already revised our standered operating procedure and decided to re-launch our project in the new name as "CAMBRIDGE GREEN".

Please help us to update the same on the website as soon as possible by providing your valuable reply .

THANKING YOU

Yours Faithfull,

For PRABHUDARSHAN DEVELOPERS (P) LTD.
