Memo No. 90-2N-03/2007(E)

Dated 15/02/2010

From :
Member Secretary,
West Bengal Pollution Control Board

To: M/S. BENGAL GREENFIELD HOUSING DEVELOPMENT CO. LTD.
HI-TECH CHAMBERS, 4TH & 7TH FLOOR,
84/1B, TOPSIA ROAD (S), KOLKATA-700 046

Sub: Consent to Establish (NOC) from Environmental Point of View

Ref: Your letter No. - Dated 08.01.2010

Dear Sirs,

In response to the application for Consent to Establish (NOC) for proposed Unit of M/s Bengal Greenfield Housing Development Co. Ltd. development of Mini Township Project "Greenfield City" (PHASE I) for housing development having 85 blocks, 4020 flats and TBUA 321911.68 SQM. at JL NO.3 & 25, Mouza-Parul & Chakraborty Sibrampur, Maheshtala Municipality Ward No.14, PO & PS-Maheshtala Dist.- 24-Parganas (South)-700141, this is to inform you that this Board hereby grants the Consent to Establish (NOC) from the environmental point of the above subject to the following conditions and special conditions annexed.

1. The quality of sewage and trade effluent to be discharged from your factory shall satisfy the permissible limits as prescribed in IS : 2490 (Pt. I) of 1974, and/or its subsequent amendment and Environment (Protection) Rules 1986.
2. Suitable measures to treat your effluent shall be adopted by you in order to reduce the pollutional load so that the quality of the effluent satisfies the standards mentioned above.
3. You shall have to apply to this Board for its consent to operate and discharge of sewage and trade effluent according to the provisions of the water (Prevention & Control of Pollution) Act, 1974. No sewage or trade effluent shall be discharged by you without prior consent of this Board.
4. All emission from your factory shall conform to the standards as laid down by this Board.
5. No. emission shall be permitted without prior approval of this Board and you shall apply to this Board for its consent to operate and atmospheric emission as per provision of the Air (Prevention & Control Pollution) act, 1981.
6. No industrial plant, furnace, flues, chimneys, control equipment, etc. shall be constructed/reconstructed/erected/re-erected without prior approval of this Board.

21 AUG 2010

Annexure to NOC Sl. No. NO73011

Special Conditions issued to M/s. Bengal Greenfield Housing Development Company Limited for the proposed Mini Township Project "GREENFIELD CITY" (PHASE I) at Mouza - Parui & Chakjot Sibrampur, JL No. - 3 & 25, Maheshtala Municipality Ward No. 14, PS - Maheshtala, Dist - 24 Parganas South.

pg 1 of 3

A. Emission:-

1. DG Sets (9 x 250 KVA & 5 x 500 KVA).

Stack -

- i. DG sets to be provided with acoustic enclosures and residential silencer.
- ii. Stacks to have sampling port, platform and ladder as per the Emission Regulation Part - III of CPCB.
- iii. Emission standards, Fuel specification and Stack height should comply with the prescribed limits under the notification of Ministry of Environment & Forest, Govt. of India, G.S.R. 489(E) [09.07.2002] and subsequent amendments.

B. Effluent:-

Domestic - wastewater shall be treated in STP. Treated wastewater shall be reused for gardening, car washing etc. and partly discharged to municipal sewer line. Discharge of treated sewage shall conform to E(P) Rules. Sewage Treatment Plants should be monitored on a regular basis.

C. Solid Waste :-

to be collected and disposed off regularly as per the Municipal Solid Wastes (Management and Handling) Rules, 2000.

D. General:-

1. The Project Proponent shall have to obtain prior concurrence from the concerned municipality ensuring supply of water, discharge of treated sewage and disposal of solid wastes.
2. D.G. Set noise level should not exceed the permissible limit. The Project Proponent should ensure the ambient noise level is maintained within permissible limits during the construction phase.
3. The proponent should strictly comply with the standards / guidelines for control of noise from stationary Diesel generator sets. These standards and guidelines are prescribed under the notifications of Ministry of Environment & Forest, Govt. of India, G.S.R. 371(E) [17.05.2002], G.S.R. 489(E) [09.07.2002] and subsequent amendments.
4. The proponent should obtain necessary clearance for DG Sets from the Directorate of Electricity before applying for Consent-to-Operate.
5. The following activities are restricted during the night time (10 P.M. to 6 A.M.), if there is any significant human settlement in the vicinity
 - a) Piling work.
 - b) Operation of Ready Mix Plant, if installed and Vibrator.
 - c) Loading and unloading of construction materials.
5. Adequate measures are to be taken to reduce vibration during piling work.
6. Water sprinkling arrangement should be ensured at every loading and unloading point to prevent spreading of dust. Rubbish, debris, broken materials and others must be kept properly within project area at suitable place with proper water sprinkling to prevent fugitive dust spreading.
7. Provision of drinking water, wastewater disposal and solid waste management should be ensured for labour camps. Proper sanitation facilities should be provided for construction workers to ensure environmental sanitation. Health and safety of the workers should be ensured during construction.

pg 2 of 3

8. The project proponent should take necessary care not to cause any inconvenience to the residents of surrounding neighbourhood. Regular supervision should be in place all through the construction phase so as to avoid disturbance to the surroundings.
9. The Project Proponent will ensure that no accumulation of any kind of water occurs within the project area to prevent breeding of various disease spreading vectors.
10. Necessary dust barrier should be provided during construction phase. Before taking up the construction work it is preferable to enclose the area with some enclosure.
11. Appropriate arrangement is to be done for rainwater harvesting within the site. The proponent must practice rainwater harvesting on regular basis.
12. Ground water should not be abstracted without prior permission of the Local body as well as the Competent Authority as per the West Bengal Ground Water Resources (Management, Control and Regulation) Act, 2005.
13. Provision of screen wall should be made surrounding the batching plant, if installed for control of fugitive emission from such operation.
14. Fly Ash is to be compulsorily used for construction as per notification No. S.O.979(E) dated 27.8.2003 of MoEF, Govt. of India and subsequent amendments.
15. Proper steps are to be taken so that the flora and fauna are not affected during the construction phase.
16. The proponent should strictly abide by The West Bengal Trees (Protection and Conservation in Non-Forest Areas) Rules, 2007.
17. No trees can be felled without prior permission from the Tree Cutting Authority constituted as per the West Bengal Trees (Protection and Conservation in Non-Forest Areas) Act, 2006 and subsequent rules.
18. Adequate green belt is to be developed within the project site. Water intensive and/or invasive species should not be used for landscaping.
19. No water body should be lined and no embankments should be cemented. The water body, if any, should be kept in natural condition without disturbing the ecological habitat.
20. Adequate firefighting storage should be provided as per Rules.
21. Adequate parking space should be provided within the project site as per Rules.
22. Road design should be done with due consideration for environment and safety of users. The entry and exit points should be designed properly without disturbing the existing traffic.
23. Use of energy efficient construction materials should be ensured. Water efficient devices / fixtures should be installed. Energy efficient systems should be installed.
24. Adequate provision shall be made for storage of solid waste and adequate means of access shall be provided. Vats / bins should be provided inside the project area from where the wastes are to be disposed off by arrangement with the local body.
25. The proponent shall undertake awareness programmes for the residents to promote water and energy conservation and to ensure environmental protection.
26. The project proponent should take adequate measures for protection of ecological habitats, if any, within the project area in accordance with the West Bengal Biodiversity Rules, 2005. The proponent must ensure prevention of loss of habitat of water monitor lizards, a Schedule I species, found in the neighbouring Gumorjala wetland, due to the proposed development.
27. No expansion of the project should be undertaken without prior permission of the State Board.
28. The unit should not start operation without obtaining 'Consent to Operate' from this Board.
