Independent Auditor's Report
To the Members of Prudent Commodeal Private Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Prudent Commodeal Private Limited ("the Company"), which comprise the Unlance: Sheet as at 31 March 2017, the Statement of Profit and Loss for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its loss for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, in our opinion and according to the information and explanations given to us, the said order is not applicable to the company and hence the report does not include a statement on the matters specified in paragraphs 3 and 4 of the said Order.
- 2. As required by section 143 (3) of the Act, we report that:
- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- (c) the Balance Sheet and Statement of Profit and Loss dealt with by this Report are in agreement with the
- (d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) on the basis of written representations received from the directors as on 31 March 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017, from being appointed as a director in terms of section 164 (2) of the Act;
- (f) as per notification no. G.S.R. 464(E) dated June 5, 2015, as amended vide notification no. G.S.R. 583(E) dated June 13, 2017, issue by Central government, section 143(3)(i) of the Companies Act, 2013, relating to reporting on Internal Financial Control is not applicable on the Company, hence no information thereto is require to be furnished; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial position.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) The Company has provided requisite disclosure in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 20 of the financial statements.

Notes to Financial Statements for the year ended 31 March 2017

1. Nature of Operation

Prudent Commodeal Private Limited is engaged in the business of real estate development.

2. Summary of Significant Accounting Policies

(a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material aspects with the accounting standards notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the date of financial statements and the results of operations during the reporting year end. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets and liabilities in future periods.

(c) Revenue Recognition

Construction Work in Progress reflects the costs incurred for project pending completion, to be charged to revenue in the year in which income from sale of such project is recognized. Revenue is recognised only when the project is completed or substantially completed.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(d) Inventories

- (i) Construction work-in-progress is valued at lower of cost and net realizable value.
- (ii) Expenditure directly relating to the construction activity are inventorised. Indirect expenditure incurred during construction period are inventorised as part of the indirect construction cost to the extent to which the expenditure are indirectly related to construction or are incidental thereto. Other indirect expenditure incurred during the construction period which are neither related to construction activity nor are incidental thereto, are charged to the statement of Profit & Loss.
- (iii) Cost incurred /item purchased specifically for projects are taken as consumed as and when incurred/received.

(e) Borrowing Costs

Borrowing costs relating to acquisition / construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one which necessarily takes substantial period of time to got ready for its intended use. All other borrowing costs are charged to revenue. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(f) Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earning per share, the net profit or loss for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Notes to Financial Statements for the year ended 31 March 2017

(g) Taxation

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred Income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profit for the year is accounted for using the tax rates and laws that have been substantively enacted as of the Balance Sheet date. Deferred tax asset is recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying amount of deferred tax asset is reviewed at each Dalance Sheet date. The company writes down the carrying amount of a Deferred Tax Asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

At each Balance Sheet date, the company recognizes the unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax asset can be realized.

(h) Provisions

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

(i) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rure gange where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(j) Cash and Cash Equivalents

Cash and cash equivalents in the cash flow statement comprise of Cash at Bank and Cash/Cheque on hand and fixed deposits with an original maturity of three months or less.

Notes to Financial Statements for the year ended 31 March 2017
