DEVELOPMENT PLAN

Fire: There are no fire exits in the proposed structures. There are no such plans for fire safety yet. We will be developing fire safety measures once the buildings are constructed.

Emergency Evacuation: There are no emergency evacuations in the proposed structures.

Drinking Water: We will be providing for water by means of availing the services of the Kolkata Municipal Corporation.

Use of Renewable Energy: There are no plans for installation of structures to procure renewable energy.

Community Hall: A community hall has been proposed to be built within the premises.

Lift: Lifts are being built in the proposed structures.

There are no such plans for the development of any additional structures as of now as it is a very small undertaking. If any such plans to provide facilities do arise, we will intimate accordingly.
