AS

4.6 The owners in this regard convey a Registered Power of Attorney in favor of the developer/second party subject to the right of cancellation far breach of contract by the developer or for developer any act detrimental to the interest of the owners.

4.7 That the Landowners/First Parts will handover the original deeds and all documents related to the First Schedule Property to the **Developer** with the execution of this Agreement and these documents will remain in custody and possession of the **Developer** subject to completion of first schedule property and shall not interfere during the construction period in any manner whatsoever and the Developer will handover the Original Documents to the Building Committee/ Association after completion of the First Schedule Property.

Article-V: Apparent Consideration:

5.1 That in consideration of the agreement the owners to allow the developer/second party to construct the building at their own property, it is hereby settled that the owners shall receive the following :-

AS

- (i) Sanctioned area as described in the schedule "B" out of the total constructed area to be constructed in the below mentioned schedule property.

ARTICLE-VI: Developer's right and representation

6.1 The developer hereby undertake the responsibility to get the plan sanctioned from the Authority of Rishra/other respective Municipality and start construction of the building and to complete the whole complex according to the agreement within 24 months from the date of sanction of the Building plan and within this time the developer shall give complete possession of the owners allocation as mentioned above.

6.2 To prepare and cause the said plan to be sanctioned and to incur and bear all costs. Charge and expenses for preparation, design and sanctioning of the said plan by the developer.

6.3 At their own to obtain all necessary permission and approval and consent.

AS

6.4 To incur and pay all costs, charge and expenses for obtaining the permission from the Authority/Authorities concerned.

6.5 To bear all costs charge and expenses for construction of the building at the said premises including amalgamation and soil testing.

6.6 To allocate the owners allocation respectively in proportion of their present measurement of land in the building to be constructed.

Owners will get the area as mentioned above and the same will be allotted as mentioned above.

Article - VII: Owners' Allocation :

7.1 The Developer shall at their own cost construct, erect and complete the building in all respect for making it a decent habitable unit and shall allocate the owners their allocation mainly of the built up area as described above with the right, title, interest in common facilities and amenities at the said premises together with the authority as transferor towards sale, lease, Gift, Assign, Arbitrage, etc.

Article - VIII: Developer's Allocation:

8.1 In consideration of the above, the developer shall be entitled to the remaining balance space of the constructed area to be constructed at the said premises together with the proportionate undivided share on the said land with the right of user of common facilities and amenities and the developers shall be entitled to enter into agreement for sale and transfer in their own name or in the name of their Nominee and to receive and realize and collect all moneys in respect thereof and it is hereby expressly agreed by and between the parties hereto that for the purpose of entering into such agreement, it shall be the obligatory on the part of the developer to obtain consent of the owners as confirming Party.

Article - IX: Procedure:

9.1 The owners shall grant to the developer a Registered General Power of Attorney as may be required for the purpose of obtaining the sanction of the plan and all other necessary permission from the different authorities in connection with the construction of the building and also for pursuing the follow up of the matter with the statutory body and other authorities.

Article -X: Construction :

10.1 The Developer shall be solely and exclusively responsible for construction of the said building.

Article -XI: Building:

11.1 The Developer shall at their own cost construct, erect and complete the building and the common facilities and also amenities at the said Premises in accordance with the plan with good and standard quality materials THAT the Developer shall obtain the sanction of multi storied building plan at his own cost having sanctioned area and the developer shall be entitled to make further construction at the top roof of the building if permitted by law.

11.2 The Developer shall and erect in the said building at their own as per the specification and also as per drawings provided by the Architect, Pump wafer storage tanks, Overhead Reservoirs, Electrification, Permanent Electric Connection from the Electric

Supply Authority and electrification in the building and also in the respective flats through electrical wirings and other facilities as are required to be provided in a multi storied building in the locality on ownership basis or otherwise.

11.3 The Developers shall bear the entire cost of construction including Architect fees and for building plan to be sanctioned from the authority of Municipal without creating any financial or other liabilities on the owners regarding the constructed.

11.4 The developer shall complete the building with outside plastering and inside the building in a total complete condition and handover the owners allocation within 24 months from the date of execution of this Development Agreement.

Article-XII: Common Facilities :

12.1 The Developer shall pay and bear all Municipal Taxes and other dues and impositions and outgoing in respect of the said premises accruing due as and from the date of sanction of the

building plan till handover of the possession within the stipulated period in favour of the owners as well as other flat owners. But if any dues made by the Developer of the previous due all such payment shall be adjusted from the owners allocation or the owner will refund the same without interest to the developer before the handing over possession the owners allocation by the developer in the newly constructed building.

- 12.2 After the completion of the total construction, the Developer and the owners including their respective assigns will bear the cost of common facilities and maintenance charge like cost of lift, if any, Durwans, pump Motor and Electric Charge in the common areas in proportion of their respective possession including proportionate share of premises for the insurance of the building, if any, water, fire and scavenging charge etc.

Article-XIII: Legal Proceedings :

- 13.1 It is hereby expressly agreed by and between the parties hereto that it shall be the responsibility of the Developer to defend all action,

suit and proceedings, which may arise in respect of the Development of the said premises after executing of this agreement and all costs, charges and expenses incurred.

13. 2 That the Owners shall be liable and responsible for litigation, if any pending or arose due to defects on title in respect of their portion or with regard to title in respect of the land or any boundary dispute and if any restraining order comes into force due to act of any third party or contagious land owners, then the Developer will be entitled to get compensation and cost of litigation. Be it mentioned that if there any type of litigation is found or arose due to any order of the competent Court Authority concern or any other competent authority concern then the delay in respect of delivery of possession of the owner allocation shall not be considered the delay on the part of the Developer.

Article -XIV: Developer's Indemnity :

14.1 The Developer hereby undertake to keep the all Third Party claim and actions arising out of any sorts of act of commission of the Developer or relating to the construction of the building,

14.2 The Developer hereby undertake to keep the owners indemnified against all acts, suit, costs, proceedings and Claims that may arise out of the Developer actions with regard to the Development of the said building and in the manner of construction of the said building and any defect therein.
